County Chairman Warns Election Judges Against Illegal Voting In Boxes ONE DEAD AND OTHERS ILL FROM POISON

IN LITTLE OLD NEW YORK CARL H. GETZ

The increase in postage on first class mail from two cents to three cents an ounce will cost Sing Sing prison near here more than \$2,000, a year additional for prisoners' mail alone. In 1931 prisoners sent out 212,335 letters. The State pays the postage for one letter a week from each prisoner.

The roaring metropolis doesn't care particularly when Mr. Jones arrives to buy a new line of goods, but a famous hotel within the garment center does and uses every means to show that it does. If Mr. Jones had been a guest there before, the clerk mentions the number of the room he occupied and asks him if he would care for that, or another like it. Bell-boys call him "Mr. Jones," and not "Sir." Next morning his home town paper is outside his door. In awaking him, the telephone operator informs that it is rainy and he should dress accordingly.

"The 44th Street Chowder and Marching Club" meets here in the city every Sunday night to play contract bridge, anagrams, ping-pong and chess. Its members, all well known in theatrical and sports circles, never eat chowder and never go on marches.

There are ten firms in New York which deal in black diamonds.

Two firms in New York which specialize in the manufacture of chow mein are owned by Americans.

In the area from East 60th to 85th Streets and from Fifth Avenue to the East River a district which can be covered in a few minutes, is the richest district in the world. It is New York's millionaire zone. More than 100 special detectives are on guard in this area constantly.

6000 FOOT OIL TEST SPUDDED NEAR BLANKET

A 6,000-foot oil test was to be spudded in near Blanket at about 1:30 o'clock Wednesday afternoon by Dr. B. Davis Thomas of Dallas and associates, and a celebration of the event was arranged by people of that community. Through telephone communication with Blanket at noon it was learned that a large crowd had gone out to the picnic at the site at which the drilling is to be done.

An 85-foot derrick has been erected and machinery for making the test of the proposed depth is on the ground, it was stated.

The location is three miles northwest of Blanket on the Alvin Richmond tract, Comanche county school land. The operators have a lease of 18,000 acres.—Brownwood Bulletin.

W. Howard Moore will serve his second year as principal. Other teachers will be: Mrs. Moore, Mr. and Mrs. Curtis Wilson and Miss Hancock.

Mrs. M. G. Gillentine and children of Goldthwaite spent the week end in Comanche with her parents, Mr. and Mrs. George S. Emert.

JUDGE URGED TO PROTECT BALLOT PURITY

Following the suggestion from the State Executive Committee that steps be taken by each county executive committee to see that there is no illegal voting in the run-off primary, J. W. Robinson, County Chairman, has issued the following notice to the Precinct Chairmen:

"To the Democratic Precinct Chairman of each Voting Box in Comanche County:

"At the suggestion of the State Executive Committee, I am calling upon you to use every precaution to see that there is no illegal voting in the run-off primary as there is a heavy penalty for such an offense. The State Executive Committee has suggested that I call you together to discuss this matter, but in order to avoid such expense, I am taking this method of asking your co-operation.—J. W. Robinson, County Chairman."

Comanche County was one of the many counties in the state where the vote at the last primary exceeded by several hundred the poll tax payment prior to February 1. In several counties of the East Texas Oil Field, the voting was nearly double that of the poll tax payment and already a number have been indicted for illegal voting.

It is not believed that there was any considerable amount of illegal voting in Comanche County in the July primary and it is the desire of the committee to reduce this to a minimum in the August primary, Mr. Robinson said.

Usually the poll tax payment exceeds that of the voting. In 1930 there were several thousand more polls paid than votes cast in the primary, but this year the voting outnumbered the poll tax payments by several thousand in the state.

The total poll tax payment prior to February 1 in Comanche County was 3560 and the total vote for Governor was 4152. However the actual number of votes cast was 4455.

Figures submitted by the State Executive Committee show that the estimated total vote which includes those exempt from poll tax payment either on account of being too old or having attained the age of 21 since January 1, is about 15 per cent above the poll tax payment. This would give Comanche County a vote of 4084, three hundred and seventy one less than the actual number who took part in the last primary.

Comanche Schools Get Two More Affiliation Units

Comanche High School was granted two units of affiliation in Spanish by the State Department of Education recently, W. G. Barrett, Supt., said Tuesday. The number of units of affiliation remained at 20 1-2, two units in Latin being automatically dropped under the rules of the State Department which provides that affiliation be dropped in subjects which have not been taught for two years. Latin was dropped from the local course of study after the introduction of Spanish.

The Spanish course was introduced by Mrs. W. C. House, to whom the credit for securing the affiliation is due, Mr. Barrett said.

NEW INDIAN COACH TO ARRIVE NEXT WEEK

Ray Glascock, newly elected athletic coach for Comanche High School, will arrive in Comanche Thursday or Friday of next week. Supt. W. G. Barrett said Wednesday. Mr. Glascock is expected to call a meeting of the prospective members of the foot ball squad as soon as he arrives and to begin at once to make plans for the foot ball season.

HOW COUNTY HAS VOTED IN OTHER YEARS

Keen interest among the voters of Comanche County in the race for governor between Ross S. Sterling and Mrs. Miriam A. Ferguson in the run-off primary next week is expected to bring out a record vote.

The Fergusons have been candidates in twelve previous primaries and so far have split even in Comanche County, carrying the county six times and losing it six. Sterling in his race in three previous campaigns has never carried the county. In the final primaries over the State the Fergusons have won three and lost four times.

In the general elections Ferguson carried the county the two times he was elected Governor but lost when he was a candidate for the Presidency of the United States on the American Ticket in 1920, polling 191 votes to over 2000 cast for the Democratic nominee in the county.

At the general election in 1924 when Mrs. Ferguson was elected governor, she carried Comanche County over George Butte, the Republican nominee, 2371 to 1084.

Mr. Ferguson first entered politics in 1914 when he made a successful race for the Democratic nomination for Governor. That year he carried Comanche county 1544 to 1301 over Tom Ball. The state vote was Ferguson 237,062, Ball 191,558.

In his race for re-election in 1916 in which he won the nomination in the state at large over Charlie Morris, Ferguson lost Comanche County, his vote being 1209 to 1580 for Morris. The state vote was Ferguson 240,561, Morris 174,611.

In 1918 Ferguson was again a candidate for the Democratic nomination for governor against W. P. Hobby. Hobby won in the state at large and carried Comanche county over Ferguson 2763 to 1676. The state vote was Hobby 461,479; Ferguson 217,012.

In 1920, Mr. Ferguson was not a candidate in the primary but entered the race for President of the United States on the

FERGUSON RALLY IS COUNTY-WIDE

The Ferguson Rally, Saturday night, at Comanche will be county wide, M. Coleman, member of the local campaign committee said Wednesday, stating that invitations had been sent out to every voting box in the county asking them to send representatives. Supporters of Mr. and Mrs. Ferguson from Hamilton, Brown, Erath, Eastland and Mills counties, are also expected to attend, Mr. Coleman said.

The rally will begin at eight o'clock when W. D. Carroll, local campaign manager, will introduce Arthur Eldson of Hamilton, who will be the principal speaker.

A. M. (Ab) White who has been living in Hamilton since his home was destroyed by fire several weeks ago, moved with his family back to Comanche this week.

MEAT CUTTING DEMONSTRATION DRAWS CROWD

Sixty men and boys attended the lamb and goat butchering demonstration at the local ice plant Wednesday afternoon conducted by Roy Snyder, meat specialist of A. & M. College, co-operating with County Agent, J. A. Barton.

Thursday morning despite the rain, approximately seventy five ladies attended the meat cutting demonstration held by Mr. Snyder in the District Court room. Four goats and one sheep were donated for the demonstrations by Sid Burton, Dr. Gray and John B. Chilton and were cut into choice pieces by Mr. Snyder and distributed by lot to the ladies in attendance at the close of the meeting.

So well pleased were those who attended the demonstration, that arrangements were made by Mr. Barton to have Mr. Snyder return in the fall and give demonstrations on the method of butchering, cutting and curing of pork meat. Mr. Snyder said, if possible, he would also return for a beef cutting and canning demonstration.

RAISES THREE CROPS ON ONE PEACH TREE

Jones Sanders of the Beattie community has in his Elberta peach orchard several trees which this year produced three crops of peaches.

Mrs. George W. Tate visited the Sanders orchard last Thursday and brought back a well loaded limb of three distinct sizes of peaches, some were full ripe and of unusually large size, some were about half grown, and the others were about the size of quail eggs and usually ripen in August, Mr. Sanders told Mrs. Tate.

Mrs. Mattie Rowe Mason of Denton spent part of this week in Comanche with Mrs. M. E. Woodward and other friends, visiting Mr. and Mrs. Wade Kendrick.

Mrs. I. W. Satterfield of Lufkin is visiting her son, W. H. Satterfield.

ENTIRE FAMILY AT PRIDDY TEX. ARE VICTIMS

Howard Melvin Limmer, 7 year old son of Mr. and Mrs. Will Limmer, Jr., died at the home of his parents at Priddy, Friday at 8 p. m., from what was believed to be the effect of ptomaine poison caused from eating a watermelon. His two younger brothers and Rosa Nauert, daughter of Fritz Nauert of Indian Gap who also ate of the melon were recovering Tuesday from what is believed to be a similar attack, physicians state.

Physicians were not definitely able to fix the cause of the tragedy and stated that the illness might have been caused by ptomaine poison contracted from eating canned corn. Rosa Nauert was boarding at the Limmer residence attending a church school and all ate some of the corn for dinner.

The children became ill, however, soon after eating the melon, and a local physician was summoned.

The Limmer morning was laid to rest Monday morning in the Zion's Cemetery at Priddy, Rev. I. M. Mansur, conducting the services.

He is survived by his parents and two small brothers, and was the grandson of Will F. Limmer of the Priddy community. He was born September 17, 1925.

ANNUAL SHOW FIRST MONDAY IS PLANNED

Comanche's annual Sheep and Goat Show will be held next First Monday, September 5, according to County Agent, J. A. Barton who is looking after the show.

Following the plans which last year proved successful, no awards will be made in competitive showing, but the show will take on more the aspect of the breeder's buck show and will feature the sale and exchange of animals.

The show as heretofore will be held on the Court House Lawn according to Mr. Barton and the exhibitors will be required to have their animals in the pens by ten a. m. on the day of the show.

Details of the show will be announced later according to Mr. Barton.

Already inquiries have been received from ranchmen in other counties, some of whom will attend the show for the purpose of buying breeding stock, Mr. Barton said.

BLANKET MAN IS SERIOUSLY HURT

L. L. Lanford, farmer, Blanket, suffered a fractured skull late last Thursday afternoon when he was kicked in the forehead by a mule which he was unhitching from a plow. Although his condition is considered serious, he was reported resting fairly well in Central Texas Hospital where he was rushed following his injury.

Mr. Lanford had been working a young mule to a plow during Thursday. About 7 o'clock he started to unhitch the mule to quit work, when the mule kicked him. He was not knocked unconscious and others who were nearby helped him to get to his home about a quarter of a mile away. His injury was dressed by a doctor from Blanket and then he was taken to the Brownwood hospital as quickly as possible. A portion of the skull had to be removed.—Brownwood Bulletin.

Ramon Navarro demonstrates his ability as a versatile player by attempting the most radical in different role of his career in "Huddle," his new starring picture, which will be shown at the Ritz Theatre, Monday and Tuesday, August 22 and 23rd.

The picture concerns the social adjustment of an Italian laborer who attends Yale University. His troubles and conflicts are worked out to a smashing climax. Thrilling football scenes show leading All-American players in action with Navarro.

Cunningham Family Hold Their Reunion

One hundred and eighty members of the Cunningham family attended the thirty third annual reunion of the descendants of the late Captain James and Aunt Susan Cunningham, at their picturesque camp grounds, eight miles south of Comanche on the Pecan Belt Highway, Monday and Tuesday, a number remaining in camp Monday night. The attendance this year was 29 more than last year when 151 of the kin registered. In addition to the relatives, a number of friends attended the two days gathering.

Of the original twelve children, only four survive, all of whom were present, Jim Cunningham of Comanche, 82, the eldest now living and Tom Cunningham of Newburg, Mrs. Joe Neely of Abilene, Mrs. J. R. Lewis of Brownwood. Since the last reunion, R. T. (Uncle Dick) Cunningham died. Other members of the connection who passed away were J. J. (Jim) Holmsley of Comanche, and Mrs. Mary Jones of San Angelo.

Counting the new in-laws, there was a net increase of ten during the year including eight by marriage and five by birth. According to the family records kept by Miss Ola Cunningham, Secretary, there are now 540 members of the family as compared to 222 when the reunion was re-organized in 1901. Nearly half of these still live in Comanche County, although they are to be found in all sections of the state.

The family gathering, which was one of the first annual reunions to be established in the county and is believed to be one of the oldest of continuous meetings in the state, is unique in that it is entirely informal with no public speaking, preaching, or political talks. The time is spent by most of the older members in family reminiscences, and by the younger ones in sports.

The first day includes a basket dinner at noon and at seven o'clock and on the morning of the second day a steak fry is had for breakfast and at noon barbecued beef, goat, and mutton is served along with the trimmings left from the previous day. More than the proverbial twelve baskets of food were gathered after the last meal was served Tuesday and judging from the meals served throughout the reunion no one would believe that a depression exists in Comanche County according to Uncle Jim.

The gathering was one of the happiest in many years according to Uncle Jim who said that it was one of the characteristics of the Cunninghams to have a good time when they got together and that he believed that the ties of relatives were getting closer as the size of the family increased.

Among the out of county relatives present were Claude Meadows, Mrs. S. E. Couch, and Mr. and Mrs. Howard Cox of San Angelo; Mrs. Charles Johnston and Kin Cunningham of Goree; Mr. and Mrs. Norman Martin and Mr. and Mrs. H. E. Patillo and daughter, Norma Blanche of Pandora; Mr. and Mrs. O. S. Moore of Salesville; Mr. and Mrs. A. L. Birdwell and children of Breckenridge; Mrs. Norma Lee of Athens, Miss Elmina Martin of St. Augustine, Arch Lewis and son of San Angelo; Mrs. Margaret Broadstreet and Mr. and Mrs. Dave Cunningham, Robert Cunningham and Mrs. Herbert Cunningham of Houston; Mr. and Mrs. George Cunningham, Miss Susie Lou, William, and George, Jr. of Austin; Mrs. Joe Neely of Abilene, Mr. and Mrs. J. R. Lewis of Brownwood, Gus Cox and family of Brownwood, Mr. and Mrs. Joe Cunningham and children of Mineral Wells, Mr. and Mrs. Oscar Mason and children of Cisco, Mr. and Mrs. Tom Cunningham of Houston, Mr. and Mrs. Arla Hallford of Grosvonor, Mr. and Mrs. Durwood Moore of Salesville, Mr. and Mrs. John Priddy, Mr. and Mrs. Hobart Priddy, and Mrs. Roy Priddy of Priddy; Mr. and Mrs. Tom Neely of Abilene; Mr. and Mrs. Weldon Middleton and Mr. and Mrs. Will Stephens of Abilene, Mr. and Mrs. Charles Prater of Hamilton; Mrs. Jesse Renfro and daughter, Miss Catherine Speaker of Brady and Arch Lewis of San Angelo.

HERRING GIVES INFORMATION ON POLITICAL PLANS

I have been asked by several of my friends in the last few days if I have given up the idea of continuing in the race for representative. Will say I gave the idea a good consideration before I made my announcement and entered the race with the full determination to run it through.

The way the law is made concerning an independent candidate running in Texas is very difficult to get before the people and to get on the ticket. So I will have to wait until after the primaries to do my job.

I will tell the law concerning the elections next week. So you can see how the controlling party in Texas has made laws to keep out everybody but themselves and only a part of themselves—the favored few.

I will have nothing else to do this fall but tell how things have operated in Texas the last fifty years.

W. G. Herring. (Adv)

Relieves Women's Pains

Here is an example of how Cardul has helped thousands of women: "I was very thin and pale," writes Mrs. F. H. Scott, of Roanoke, Va. "I suffered from weakness and a severe pain in my back. This pain unnerved me, and I did not feel like doing my work. I did not care to go places, and felt worn, tired, day after day.

"My mother had taken Cardul, and on seeing my condition she advised me to try it. I have never regretted doing so. I took three bottles and it built me up. I gained in weight, my color was better and the pain left my back. I am stronger than I had been in my time."

Cardul, the purely vegetable medicine which so many women take and recommend, is sold by local druggists.

"Huddle" Leads

Bill At Ritz

Vivid Story of University Life, Opens Monday

Ramon Navarro demonstrates his ability as a versatile player by attempting the most radically different role of his career in "Huddle," his new starring picture, which will be shown at the Ritz Theatre, Monday and Tuesday, August 22 and 23rd.

The picture concerns the social adjustment of an Italian laborer who attends Yale University. His troubles and conflicts are worked out to a smashing climax. Thrilling football scenes show leading All-American players in action with Navarro.

A strong cast supports the star, including Madge Evans, Una Merkel, Ralph Graves, John Arledge and Frank Albertson.

"Smart Woman" Comes Wed.

Packed with side-splitting comedy, fast-moving action-drama, domestic philosophy and colorful settings—and interpreted by a cast of unusually clever players, "Smart Women" will be shown Wednesday and Thursday, August 24-25th.

Few pictures can boast of such a cast of players—Mary Astor as the wife, Robert Ames the husband, Noel Francis, the gold-digger, Gladys Gale, the husband-hunting mamma, and Edward Everett Horton, a hypochondriac whose facetious comments and antics add to the genuine entertainment of the film.

"Big Timer" Is Delightful Comedy of Young Dreams

A very human story of youth, its ambitions and disillusionments, its set-backs and come-backs, its humor and some good thrills, in "The Big Timer," to be shown Friday and Saturday, August 19 and 20th. It reaches greatness through its simplicity, sincerity and understanding.

Ben Lyon, Constance Cummings and Thelma Todd head the cast. The Sharkey-Schelling Fight, round by round will be shown at all the regular performances in addition to the regular program, Friday and Saturday.

Cunningham

Family Hold

Their Reunion

One hundred and eighty members of the Cunningham family attended the thirty third annual reunion of the descendants of the late Captain James and Aunt Susan Cunningham, at their picturesque camp grounds, eight miles south of Comanche on the Pecan Belt Highway, Monday and Tuesday, a number remaining in camp Monday night. The attendance this year was 29 more than last year when 151 of the kin registered. In addition to the relatives, a number of friends attended the two days gathering.

Of the original twelve children, only four survive, all of whom were present, Jim Cunningham of Comanche, 82, the eldest now living and Tom Cunningham of Newburg, Mrs. Joe Lewis of Abilene and Mrs. J. R. Lewis of Brownwood. Since the last reunion, R. T. (Uncle Dick) Cunningham died. Other members of the connection who passed away were J. J. (Jim) Holmesley of Comanche, and Mrs. Mary Jones of San Angelo.

Counting the new in-laws, there was a net increase of ten during the year including eight by marriage and five by birth. According to the family records kept by Miss Ola Cunningham, Secretary, there are now 540 members of the family as compared to 222 when the reunion was re-organized in 1901. Nearly half of these still live in Comanche County, although they are to be found in all sections of the state.

The family gathering, which was one of the first annual reunions to be established in the county and is believed to be one of the oldest of continuous meetings in the state, is unique in that it is entirely informal with no public speaking, preaching, or political talks. The time is spent by most of the older members in family reminiscences, and by the younger ones in sports.

The first day includes a basket dinner at noon and at seven o'clock and on the morning of the second day a steak fry is had for breakfast and at noon barbecued beef, goat, and mutton is served along with the trimmings left from the previous day. More than the proverbial twelve baskets of food were gathered after the last meal was served Tuesday and judging from the meals served throughout the reunion no one would believe that a depression exists in Comanche County according to Uncle Jim.

The gathering was one of the happiest in many years according to Uncle Jim who said that it was one of the characteristics of the Cunninghams to have a good time when they got together and that he believed that the ties of relatives were getting closer as the size of the family increased.

Among the out of county relatives present were Claude Meadows, Mrs. S. E. Couch, and Mr. and Mrs. Howard Cox of San Angelo; Mrs. Charles Johnston and Kin Cunningham of Goree; Mr. and Mrs. Norman Martin and Mr. and Mrs. H. E. Patillo and daughter, Norma Blanche of Pandora; Mr. and Mrs. O. S. Moore of Salesville; Mr. and Mrs. A. L. Birdwell and children of Breckenridge; Mrs. Norma Lee of Athens, Miss Elmina Martin of St. Augustine, Arch Lewis and son of San Angelo; Mrs. Margaret Broadstreet and Mr. and Mrs. Dave Cunningham, Robert Cunningham of Houston; Mr. and Mrs. George Cunningham, Miss Susie Lou, William, and George, Jr. of Austin; Mrs. Joe Neely of Abilene, Mr. and Mrs. J. R. Lewis of Brownwood, Gus Cox and family of Brownwood, Mr. and Mrs. Joe Cunningham and children of Mineral Wells, Mr. and Mrs. Oscar Mason and children of Cisco, Mr. and Mrs. Tom Cunningham of Houston, Mr. and Mrs. Arla Hallford of Grosvonor, Mr. and Mrs. Durwood Moore of Salesville, Mr. and Mrs. John Priddy, Mr. and Mrs. Hobart Priddy, and Mrs. Roy Priddy of Priddy; Mr. and Mrs. Tom Neely of Abilene; Mr. and Mrs. Will Stephens of Abilene, Mr. and Mrs. Charles Prater of Hamilton; Mrs. Jesse Renfro and daughter, Miss Catherine Speaker of Brady and Arch Lewis of San Angelo.

SPECIAL SERVICES AT BAPTIST CHURCH SUNDAY

Bro. E. B. Featherston, one time pastor of this church will preach at the eleven o'clock hour next Lord's Day.

It is our aim to make this an eventful day. This we can do with the co-operation of the citizenship. I am asking every person in and around Comanche who is past fifty years of age to attend this meeting at the Methodist Tabernacle next Sunday at the eleven o'clock hour.

ROLLINS-BLACK FAMILIES HOLD ANNUAL REUNION

Approximately one hundred relatives and friends of the Rollins and Black families met at Lake Eanes Monday for their fifth annual re-union, the first two of which were held at Sidney and the last three at Lake Eanes.

The relatives are the descendants of three pioneers, Luther and Robert Rollins, brothers, who settled in the Fleming and Newburg communities more than fifty years ago, and of "Uncle George" Black who settled east of Comanche about sixty years ago. All three have been dead more than twenty years, but their descendants are to be found in numerous communities of the county.

A basket dinner, which bore no ear marks of the depression, served at noon was one of the features of the one day gathering. No formal meeting was held but a committee was appointed to arrange for next years gathering. Some of the older members of the families as well as nearly all the younger ones, enjoyed a swim during the day, the remainder of the time being spent in conversation.

Mrs. A. J. Cobb, 83, of Van Dyke, sister of the late George Black, was the eldest member of the family present. Others were Oscar Rollins and family of Austin, Price and Dave Farrow and family, Olie Makin, and family, Mrs. D. Cozby, and son; Walter Fritts and family, J. Frank Redwine and family, Mrs. Kattie Black, Mrs. P. L. Burks and "Grandmother" Burks, W. J. Rollins and family of Gustine, Sam Whitlock and family of Downing, George Masters and family, W. R. Shoemaker, M. T. Shoemaker and family.

HERRING GIVES INFORMATION ON POLITICAL PLANS

I have been asked by several of my friends in the last few days if I have given up the idea of continuing in the race for representative. Will say I gave the idea a good consideration before I made my announcement and entered the race with the full determination to run it through.

The way the law is made concerning an independent candidate running in Texas is very difficult to get before the people and to get on the ticket. So I will have to wait until after the primaries to do my do.

I will tell the law concerning the elections next week. So you can see how the controlling party in Texas has made laws to keep out everybody but themselves and only a part of themselves—the favored few.

I will have nothing else to do this fall but tell how things have operated in Texas the last fifty years.

W. G. Herring. (Adv)

Rev. A. C. Jones and family of Lockney who have been visiting in Comanche for two weeks returned home Sunday.

"that fast-steppin' gas"!

They're apt at nicknames in the Sinclair refineries. Sinclair Regular Gasoline has now become "that fast-steppin' gas" to them because it's being refined to a formula developed for speedy getaway and flashy pick-up in the congested traffic of great cities.

Try Sinclair Regular in your worst traffic — and where there is no traffic let the eager surge of power in this fast, light gasoline bring you the joy of a smoothly speeding car on the open highway — plus the added satisfaction that comes from real fuel economy. COMANCHE CITY SCHOOL
FACTS:

The date set by the School Board for the opening of school is Thursday, September 1st. The buildings and grounds are now being put in readiness for the occasion. The floors have been oiled and the heavy crop of weeds is falling under the hoe of the janitors. Windows, broken by destructive somebody during the summer, are being replaced.

All Free State Text Books have been received for the entire school. We have been furnished with 6,000 book covers. This will allow all children to have necessary covers as required by law at all times, and they are free to all children attending Comanche City Schools.

Two credits have recently been granted by the State Department of Education in Spanish, giving this school a total of 20 1-2 additional credits. Graduates from this high school can enter any college or university upon the presentation of credits. Two and one half credits were dropped several years ago for sake of economy.

Some have asked about a five dollar fee that must be paid the first day of school. School authorities know nothing about it. Let the fellow who started such a line of false rumors explain it. Usually there is a fee of \$1 for Library and \$1 for Laboratory for those who take physical sciences. This has to be paid in some way, taxes or fees. We can't get these materials for nothing. Then it seems fair that the user should pay the nominal fee. All expenses for children in school have been cut to the minimum long before this time. Often parents are led to believe that the teachers are requiring a lot of expensive material, when in fact they are not. We have heard it rumored that some children demand money for school purposes and then instead buy luxuries down town. Surely such reports are unfounded though.

Ten of the local teachers have been attending the various summer schools, three doing work on "Mentor Degrees." Those attending were: Miss Cordia Lindsey, N. T. S. T. C. Denton; Miss Vera Beene, N. T. S. T. C. Denton; Miss Nobia Dunn, John Tarleton, Stephenville; Miss Gaynelle Cagle, John Tarleton, Stephenville; Miss Louise Gardner, John Tarleton, Stephenville; Miss Vada Belle Simmons, Columbia University, New York City; Mrs. W. H. Carpenter, S. W. T. S. T. C. San Marcos; Dorous Brown, University of Texas, Austin; Pat Cagle, University of Texas, Austin; W. G. Barrett, University of Texas, Austin.

The Superintendent will be in the office Saturday, August 27 from 9 to 4 o'clock for the purpose of conferring with pupils expecting to enter Comanche High School this year for the first time. Pupils from rural and un-affiliated schools will be taken on trial. No examinations are required as usual for entrance. We will help you to do the work.

LOST 20 LBS IN
JUST 4 WEEKS

Mrs. Mae West of St. Louis, Mo., writes: "I'm only 28 yrs. old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—it's the SAFE, harmless way to reduce as tens of thousands of men and women know.

For your health's sake ask for and get Kruschen at any drug store—the cost for a bottle that lasts 4 weeks is but a trifle and if after the first bottle you are not joyfully satisfied with results—money back.

Comyn School
Gets Credits

Comyn School received notice last week from the State Dept. of Education that three additional units of affiliation had been granted the school, making a total of 18 1-2. The new units were granted in Vocational Agriculture, Home Economics, Business Arithmetic and Business Economics, according to S. B. Culpepper, Supt., who was in Comanche Friday.

Comyn is now one of the few strictly rural schools in the state having enough units of affiliation to allow its graduates to enter high educational institutions without examination. Two and a half additional units will be applied for during the next session, Mr. Culpepper said.

Comyn for several years has maintained a nine months term.

Mrs. W. T. Bledsoe
Dies In California

Mrs. W. T. Bledsoe, for many years a citizen of Comanche, died at her home in McFarland, California, Monday, August 15, and was laid to rest there Tuesday according to word received by her sister, Mrs. S. J. Hicks.

Lou Mason was born in Lime-stone County about sixty three years ago, and was the daughter of the late O. S. Mason. They moved to Comanche County when she was eight years old and she grew to womanhood in the Fleming community. She was married to W. T. Bledsoe of Mills County in her early twenties. They made their home in Comanche County most of the time after their marriage until they moved to California a few years ago.

In addition to Mr. Bledsoe, she is survived by four children: Blaine Bledsoe of Wichita Falls, Mrs. H. Dillyhay, A. Bledsoe, and W. Bledsoe of California.

J. M. McCrary
Buried Friday

James Madison McCrary, 87, pioneer resident of Comanche County, passed away at the home of his daughter, Mrs. E. H. Rauhut, at 5 p. m. Thursday, August 11, after four and a half months confinement to his bed, although he had been in ill health for several years.

Funeral services were held at Oakwood Cemetery Friday afternoon at five o'clock, conducted by Rev. W. H. Foster, pastor of the First Presbyterian Church of Brownwood.

At the time of his death, Mr. McCrary was probably the oldest ex-business man living in Comanche. He came to Comanche sixty one years ago and in 1871 opened a general merchandise store with his father, the late R. P. McCrary, on what is now known as the Higginbotham lot across the street from the Comanche National Bank. They carried in stock not only dry goods, groceries, and hardware, but lumber, jewelry, drugs, furniture, harness, saddles, machinery, and in fact nearly everything for which there was a demand in the seventies. The senior McCrary was killed in Comanche in 1875 and Mr. Crary ran the business by himself until 1883 when he sold the stock of goods to Dixon and Green. He retained the building and opened a tin shop and it was in response to his advertisement for a tinner that L. F. Elkins and his father first came to Comanche. A few years later Mr. McCrary opened a wagon yard and feed store on the block and was in this business when he sold the lot to Higginbotham Bros. & Co. for their store in 1900. For a number of years Mr. McCrary and his family lived in the rear of his store building and the three oldest children were born there.

Mr. McCrary was a Confederate veteran. He enlisted in the service at the outbreak of the war and served under General Price.

He was born in Alabama, June 8, 1845 where he lived until the age of twelve when he moved with his parents to Arkansas. He came to Texas in 1869 and lived in Coryell County two years before moving to Comanche. Two years after coming to Comanche he was married June 10, 1873, to Miss Ella Griffith, the ceremony being performed in the log house home of the Griffiths on Sweetwater Creek north of Comanche.

Before selling out to Higginbotham Bros. & Co., Mr. McCrary had moved from his store to the rock house which he owned at the time of his death and where he lived until a few months ago. Seven of his eleven children were born in the house. Mr. McCrary had a small acreage adjoining the dwelling and for a number of years engaged in gardening and trucking and at one time had a twenty seven acre orchard within the city limits of Comanche which was said at the time to be one of the finest in Comanche.

In 1910 Mr. McCrary moved to a farm which he had bought several years before to the Macks-ville community. They made their home there until 1910 when Mrs. McCrary and his son, James Madison McCrary, Jr., were stricken and died during the influenza epidemic. After their death, Mr. McCrary returned to his home in Comanche.

Mr. McCrary and his wife were among the first members admitted into the First Presbyterian Church after its organization in Comanche, and his father and mother were charter members. From the time of his admission into the church until he moved to Macksville in 1910 he was one of the elders of the congregation.

Four children preceded Mr. McCrary in death. They were Dixie, Fannie, John, and James Madison, Jr. Those surviving are: S. P. McCrary, Mrs. E. H. Rauhut, and Mrs. E. D. Brown of Comanche, Mrs. G. D. Haggard and Mrs. F. G. Bean of Gustine, Mrs. L. D. Smith of Malvern, Arkansas and Mrs. A. Shapard of Gulfport, Miss.

It is the announced policy of the present State Highway Commission to build highways with the gasoline tax and the Federal money without cost to the counties, Mr. Small said, but Ferguson, he said, wished to call a recess in State Highway building and if such a policy was followed the State would lose the National aid which would be used in some other state, Small said.

FOR REPRESENTATIVE

As the campaign draws to a close I feel that I should reiterate my position on some of the more important issues that will confront the next Legislature. In the first place I am opposed to a state-wide bond issue for Highway purposes or for any other purpose.

And again we want to state that we are opposed to the present truck law. Truck traffic is vital to the welfare of our people; and we would insist on the present truck law being amended in a way to lighten the burden of the farm truck owner and the independent truck operator. The welfare of our rural people demands that this class of truck operators be as little restricted as consistent with the safety of the traveling public.

We shall further insist that departments, bureaus and commissions be consolidated where it can be done without impairing the public service; and that our court procedure be simplified and the number of courts reduced. I feel that the expenses of every department of government should be reduced both by reduction of salaries and in the number of employees. By this means we believe that the expense of our state government can be reduced from twenty to thirty per cent.

In conclusion we would again thank you for the support you gave us in the first primary, and assure you that our one ambition will be to prove worthy of the honor and your trust.
